

Expression of Interest

Festival of Small Halls

Date: Between 27 September to 26 October 2023

The Festival of Small Halls (organised by the producers of the Woodford Folk Festival) is touring again in 2023 and will return to the Maranoa between **27 September to 26 October 2023**.

What is the Festival of Small Halls?

The Festival is a series of tours that take the best folk and contemporary acoustic artists performing at two large festivals and sends them on the road to tiny halls in communities all over Australia. It's an opportunity for music lovers from welcoming communities to invite artists from home and abroad into their towns, and a way of celebrating the spirit of our small towns. The touring artists of Small Halls will always be at least one Australian artist and one international touring artist, and where possible, a local act, who play music of exceptional quality and heart.

Expression of Interest to Host Festival

Maranoa Regional Council is seeking expressions of interest from a local community to host this performance in their local hall. The Festival will visit the Maranoa for **ONE** performance only, which may be held at Muckadilla, Surat, Bymount, Injune, Wallumbilla- anywhere with a hall available!

What's Required?

The community will be required to work with the touring group (Woodfordia Inc) and Council to coordinate the event.

The community will be asked to supply the following:

- Confirmation their hall is available
- Promotion of event (material to be supplied)
- Ticket sellers (both prior to and during the event)
- An MC on the night
- Set up/decorate the hall
- Catering/bar for the event
- Cleaning of hall after event and removal of rubbish.

Further information regarding the local involvement is included in the [Festival of Small Halls brief](#)

The community may benefit financially from Small Halls with the profit from ticket sales be split evenly with Woodfordia (touring company). Maranoa Regional Council have resolved to underwrite the performance, therefore if not enough tickets are sold, Council will cover the balance. There is also the opportunity to fund-raise through the sale of food and alcohol (beer and wine only).

Maranoa Regional Council will provide the following support for the event:

- Negotiations with touring company
- Under-writing event
- Marketing and promotion of the event e.g. media release, poster distribution, advertising
- Free hire of hall (where applicable)

If your community is interested in hosting this event, please complete the below selection criteria and forward to council@maranoa.qld.gov.au by **Monday 5 June 2023**.
