

Roma Saleyards Memorial Wall

Information Sheet

What is the wall and why is it here?

The Roma Saleyards Memorial Wall has been erected by Maranoa Regional Council to provide a place to commemorate individuals that have made a significant contribution to the Saleyards, and to mark key milestones in the development and running of the Roma Saleyards.

Who is eligible for nomination?

Anyone (deceased) that has made a significant contribution/association with the Roma Saleyards is eligible to have a memorial plaque considered for the wall. Generally, it would be expected that the nominee's involvement with the Saleyards would exceed 20 years or be able to demonstrate other significant contributions to the selling centre.

What is the approval process?

Once a nomination form has been received, appropriate checks will be completed by Maranoa Regional Council. Once complete, a report will be tabled at a nominated Council meeting for consideration. Council will then provide a resolution to either approve or decline the application.

Why do I need to provide commentary and what will it be used for?

The commentary will be used to help with the approval process.

Can I have a different sized plaque?

No. Plaques will be provided by the Saleyards and will be uniform in size and style.

What will it cost for the nomination and plaque?

There will be no cost for the nomination form. If the nominated candidate is approved, the Roma Saleyards will pay for all costs involved for the creation and installation of the plaque.

Timeframes?

Applications can be submitted at any time. Assessment, approval and installation may take considerable time; between 3 to 6 months. The plaque will then be displayed on the memorial wall. The nominator will be advised of the date.

Am I able to provide additional information or photos and what will this be used for?

Yes. We encourage nominees to provide additional information, stories, videos and photographs. This will assist in consideration for the application and adds to the Saleyards' archives. This will be stored by the Roma Saleyards and may be used in future projects to highlight the history of the selling centre.

Media Consent?

The nominator grants to Roma Saleyards and Maranoa Regional Council a licence to use the information contained in the nomination and associated material in social media, media and other publications. Media material may be published to Roma Saleyards social media, and/or distributed to media outlets for publication.
