-  Capacity: Open capacity  Facilities: Large outdoor areas, parking, on-site catering

TESTIMONIAL

"Over the past three years Roma's Easter In The Country has used the iconic Roma destination - the Roma Saleyards - to host the Outback Tucker Under the Stars dinner. This dinner is the opening activity of the five day Easter In The Country Festival. The dinner has included the promotion of the local beef industry in providing guests with a segment of where their beef comes from and how important the beef industry is to the local economy. Saleyard Tours have also been incorporated as part of the program for guests who are in Roma on Easter Thursday. Over the past two years we have invited a celebrity chef – Matt Golinski to prepare and present the meal with the assistance of students from the Roma TAFE College. The backdrop of the saleyards being open to the skies having a great view of the autumn sunset and as the full moon rises in the east gives the evening another dimension – especially as many of the visitors are from the city and do not usually see such open skies. The dinner is a very popular aspect of the festival and feedback of the evening has been overwhelmingly positive from locals and guests alike." - President, Easter in the Country
